FIRE SPRINKLER INSTALLATION CERTIFICATION REQUIREMENTS

As of January 1st, 2019 the City of Mountain View-Fire Department shall be enforcing the full extent of the adopted regulation, which states **all** fire sprinkler fitters must be certified. These regulations also pertain to trainees and apprentices, which requires they shall obtain certification to work on a job site. Documentation of formal certification shall be submitted at time of initial fire sprinkler plan check.

Contractors identified as not abiding by these new requirements can receive a stop work order or have their fire sprinkler plans revoked during the project.
