- Is at least 5' from any fire hydrant, Fire call box, Police call box, other emergency facility, driveway, bus bench, red curb of a bus zone?
- Is at least 15' from any wheelchair ramp or any marked or unmarked crosswalk (as measured from the curb return) or any sidewalk café?
- Does not impede or interfere with the reasonable use of any building, activity of any business or residence, or the use of any commercial window display?
- Does not result in more than five individual newsracks in one location?·

#### Please attach a photo clearly showing:

(1) exactly where the newsrack will be installed; (2) any nearby racks; and (3) the existing sidewalk.

I have received a copy of the Mountain View Newsrack Ordinance and agree to install and maintain this newsrack in accordance with the Ordinance. I agree to modify this installation and/or replace a nonmodular newsrack with a modular newsrack, or permanently remove the newsrack from this location if deemed necessary by the City as specified in the Ordinance. I agree to restore the public right-of-way to its previous condition if this newsrack is removed. I agree to hold the City harmless for any damages related to the installation or use of this newsrack.
